## **Editor's voice**

Guntakal is a Grade-I town in Anantapur District of Andhra Pradesh. Guntakal town is located at 15'-10' North latitude and 17'-23' East longitude at an altitude of 1400 MSL. The town is a major railway junction and it is a divisional headquarters of South Central Railways. Guntakal Municipality has an extent of 40.87 Sq. Kms consisting of population 1,26,479 as per 2011 Census. The town is divided into 37 Election Wards and 23 Revenue Wards.

During the month of September Guntakal Municipality has taken Sanitation as a challenge and conducted a special sanitation drive program throughout the town during which the awareness is conducted among the public through rally and by involving students in the program.

Smart Pulse Survey has been conducted in the town at high priority basis, till the month of September total of 22,356 households are surveyed.

Under AMRUT Scheme, the NIT of Water Supply and Park is approved and tenders will be called in the month of October 2016.

Under Swachh Bharat scheme to make Open defecation free town, construction of community and Individual House Hold Toilets (IHHTs) is taken up. Construction of 9 community toilets are sanctioned for those having no space for IHHTs, and 6 community toilets construction is already started. Under IHHTs program total of 1901 toilets are sanctioned by Municipal commissioner out of which 1635 are completed, which is 86% achievement.

  
Commissioner  
Guntakal Municipality

## Current Activities and Schemes

### i. Smart Pulse Survey:
